

London Borough
of Hounslow

Heston Library will soon give you more

**Improvement
work starts
Monday
19th April 2010**

Improving your library

As part of our commitment to improving the borough's libraries, the London Borough of Hounslow and John Laing Integrated Services, are refurbishing Heston Library.

Essential works to the roof have started and we are now ready to start improving the inside of the library. This will include:

- Bright and refreshed interior
- New flooring, furniture and signage.
- Improved layout
- New windows, sympathetic to the architecture of the building.
- New reception desk and refurbished community room.

At Heston we will be introducing a self service system, known as RFID, this will allow you to take out and return books without queuing.

The library will also be equipped with new computers, books and plasma screens to provide up to date information for users.

Temporary library service

To deliver these improvements as soon as possible, Heston Library will close from **Saturday 17th April from 5.30pm** until **Monday 2nd August**.

A temporary library facility will be available. The building adjacent to the library will be refurbished to provide an alternative library space.

The temporary library will be open from **Monday 19th April**. There will be no break in service and the temporary facility will be open for the duration of the works on the following dates and times.

Monday	9.30am - 8.00pm
Tuesday	9.30am - 5.30pm
Wednesday	9.30am - 5.30pm
Thursday	9.30am - 8.00pm
Friday	9.30am - 5.30pm
Saturday	9.30am - 5.30pm
Sunday	Closed

Customers can browse and borrow a selection of fiction and talking books and also request that their reservations be delivered to this site for collection.

Staff will be on hand to provide information and deal with enquires.

Further information

Hounslow has a network of libraries across the borough. Please note that Osterley and Isleworth libraries are also closed for refurbishment. The nearest libraries to Heston are:

Cranford Library
Bath Road. TW5 9TL.
